- All prime vendors are reminded that they are prohibited from subcontracting with companies or individuals that have been suspended or debarred.
- All invitations with orders for the state of New York must have the pack date stamped on the outside of each carton. The pack date should be annotated as per the following example: (05/01/2003). Orders for the state of New York requiring this special marking will be indicated by (**). This applies to New York orders "Only," if and when they appear on an invitation.

Note:

Effective August 1, 2005, Contractors are required to submit Annual Representations and Certifications via the Online Representation and Certifications Application (ORCA), a part of Business Partner Network (BPN). The internet address for registering in ORCA is <http://orca.bpn.gov>.

The representations and certifications are effective until one year from the date of submission or update to ORCA.
